

AN INDEX
TO THE
LONG ISLANDER
1865 - 1881
MARRIAGES-DEATHS
by
ROBERT L. SIMPSON

HUNTINGTON AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

1976

Town of Huntington

Kenneth C. Butterfield, Supervisor

January 1976

We are most pleased to be able to publish this index of marriages and deaths of the Long-Islander from 1865 to 1881 so shortly after the first index. We discovered that much of this work had been done by Robert L. Simpson, former Town Historian, after spending a great deal of effort and time on the original index.

This index is arranged in a somewhat different manner than the first one, in that the date listed is the actual date of the event and not the date of the newspaper. We, therefore, suggest that anyone looking for the notice of death or marriage check the subsequent issues of the Long-Islander.

After February 1881, all marriages and deaths were registered with the Town Clerk and this information is available in that office. We now intend to go back and do a complete index of the Long-Islander as was done for the Virginia Gazette.

Rufus B. Langhans
Town Historian
