SUFFOLK COUNTY, NEW YORK  
DEATHS TAKEN FROM "THE REPUBLICAN WATCHMAN"  
Years 1881, 1882, 1883, 1884.

Volume 3

Copied and compiled  
by  
Gertrude A. Barber

1949

"The Republican Watchman" Greenport, L.I. Mar. 5, 1881.

Richard Jennings, a well known lawyer of this county, died at his residence, Patchogue, on Tuesday, March 1st.

Capt William Lockwood, the Master of the Hall Gate pilots, died at City Island, Feb. 4th in the 86th year of his age. The Lockwood family were born pilots. William's son, Andrew, perished ten years ago while attempting to board a ship off Montauk Point. His other son, Charles and his son in law Sidney Baylis, are still esteemed members of the pilot fraternity.

William A. Butler of 29 Monroe St., Brooklyn, Secretary of the Pacific Fire Ins. Co., N.Y. was lost overboard in the harbor of Fernandina, Florida on the 29th ult.

Dr George L. Huntington of Southampton, an old and respected resident and well known physician of that town, died after a few weeks illness on Wednesday, March 2nd. He was the son of Dr Able Huntington, a former member of Congress from this District, and a Collector of this port.

Isabella Cumberland, an old woman about 70 years of age, was found dead in bed on Saturday, March 5th.

The death of Miss Elizabeth Frances Moore on Saturday last in the 88th year of her age, removes from among us another of our old and highly esteemed Village residents. Besides being the daughter of the Rev. Thomas Lambert Moore, who from 1784-1799 was rector of St. George's Church, she was also nearly related (a niece, we believe) to two Bishops Benjamin Moore of the dioceses of N.Y. and Bishop Richard Channing Moore of the dioceses of Virginia, the former of whom died in 1816 and the latter in 1841. Miss Moore was the first child born in St. George's Rectory, at the corner of Prospect and Greenwich streets, which was built in 1793. Her remains were interred in the burying ground at St. George's Church finding their last resting-place by the side of the graves of her two sisters and near those of her father and mother.

Charles Havens Huntting died in this village March 4th in his 51st year. He was a respected citizen, and prominent in the affairs of the Presbyterian Church. He was the son of Joseph R. Huntting, who died at Smithtown recently, and who was Commissioner of Schools, Justice of the Peace and the Sessions and for 9 years Clerk of Suffolk County, being first appointed to the position on the death of Charles Havens, a most intimate friend, and for whom his son Chas H was named. The remains will be interred at Smithtown Branch.

The death of Hon. William Wickham, occurred at his residence in the village of Patchogue, on Sunday last.

Mary Cook, widow of Luther Cook, died March 28, 1882, aged 86y., born Wading River in 1796. Her parents removed to Westhampton, April 1, 1800 and she was married to Luther Cook, Sept. 28, 1818. Eighty two years of her life was spent in the old house by the mill. Her father, John Hootor and her mother, Sarah Vincent, came from Ireland about the year 1768, and were married in New York. Her mother was at one time a domestic in the family of the celebrated Dr Rush, of Philadelphia. Her father had one sister who died at Westhampton, leaving no heirs; her mother had two brothers both surveyors; one died at New Orleans; of the other the death record is lost, but at one time he was employed to survey lands in Western Virginia and for pay he took quite a large tract of timber about 100 miles from the City of Wheeling then but a small place. On his death the land fell to Mrs Hootor and a portion of it was exchanged for the present mill property at Westhampton. After Mrs Hootor's death in 1824, Mr. Cook went to Virginia to look after the balance of the property. Mrs Cook was an only child. Her husband died in 1873, since when she has lived with her son. Member for 50 years of the Presbyterian Church.

Deaths of Persons who once resided in Suffolk County or whose remains were brought here for burial (1881) continued from page 24.
