beside that, on the other side: J.R.S.

It appears that these two stones with initials were originals and then the one with the names was put between them.

To the left of that, an old white stone which doesn't look like it started out here, just has: RICHIE and LORETTA. The plot is a GERARD plot and there are 6 stones with just initials:

5. H.G. (GERARD)
6. H.G. (GERARD)

This is a GERARD plot and there is a monument behind these stones which we'll get on the next--no, I think we'll do the whole plot now, because in this are a couple more initialed stones on the other side.

 25 dys.

- 132 - To the left: H. GERARD SMITH - Jun 7, 1854 - Feb. 11, 1866
 There is monument facing the other way which we'll get on the way back

 135 Stone to the left: ARDEN A. SMITH, son of CHARLES and HESTER SMITH,
 1846 - 1915
 136 X Next stone: MOTHER
 137 X Next stone: FATHER
 Could either be CHARLES and HESTER or it could be CONSTANCE BROOKS'
 parents, maybe
 138 Stone: EDNA B. SMITH, wife of GEORGE ERSKINE, 1871 - 1945
