Mr. Robert G. Swenk
909 Main Street
Port Jefferson, L. I., N. Y.

Dear Sir:

Please send me a paper to show that I Mary Cameron-Gray, daughter of Mabel Benson Gray am sole heir to Lot F 30 in Cedar Hill Cemetery, Port Jefferson. At the time the lot was purchased, my Mother turned the deed over to one of the trustees for recording, but the deed was never returned to her- hence this request for a paper to substantiate that I am now owner of said lot.

Very truly yours,

(Miss) Mary Cameron-Gray

Aug 21/53 Mrs Chester Darling says that Mary Cameron-Gray is the sole surviving heir of Mabel Benson Gray, and that she is the only one that should have the use of this plot.

Signed Mrs Chester Darling

August 22, 1953.

Miss Mary Cameron-Gray,
223 East 68th Street
New York 21, N. Y.

Dear Miss Gray:

Mrs. Chester Darling brought in your letter of August 14th last evening. She explained the situation regarding your being ~~the sole~~ survivor and heir of Mabel Benson Gray, the owner of Plot #30 in Section Map #2. The writer has no question ~~in mind~~ about the correctness of this statement.

However, the Cemetery Association would not be justified in issuing a paper to the effect that you are the sole heir without this fact being duly established through legal proceedings. We are justified, however, in granting you the privilege to use the plot for yourself or any future family members that you may have; and with the assurance that the plot will be reserved for your use exclusively unless someone else can properly establish a right to make use of it.

The charge for annual care of your plot for 1953 is \$8.00 and we will appreciate remittance at your early convenience. Mrs. Darling has paid for care for 1952.

Hope that the above meets with your satisfaction. If not, would be glad of any comments that you care to make.

Very truly yours,

RGS:FDE
