

CLASS RECORDS.

EXPLANATIONS AND DIRECTIONS.

THE blanks in the second space at the top of the page are to be filled with the *Number* of the *Class*, the *Name* of the *Leader*, and the *place where* and the *time when* the class is held. The Class Lists should be carefully transcribed in numerical order at the close of each Pastoral term, inserting *full name*, *state in life*, and *present residence*. Any change of state in life occurring during a Pastoral term should be entered in the second column under the proper heading. Changes in residences should be entered in pencil under the head of Remarks, and when the lists are transferred carefully rubbed off again, so as not to deface the book. All other notes entered under the same heading, such as *Transfers*, *Deaths*, *Removals*, *Resignations*, or *Expulsions* should be entered permanently with ink. The Numbers of the Classes should remain the same from year to year. The register numbers will be found convenient in making out Quarterly Reports, as they will save the trouble of a recount every time you wish to know the number of members in the several classes.
