

PROBATIONERS' RECORD.

EXPLANATIONS AND DIRECTIONS.

THE headings in this department need little explanation. The double rulings under "State in Life" are designed for a second insertion in case that state is changed during probationship. In the double rulings under the headings, "When and How Baptized," and "When and How disposed of," the first column is to contain the date, and the second the answer to the "How." This in the last column ought to be explicit, as to whether the parties have been *Received into Full Membership*, have *Removed*, have been *Dropped*, have *Withdrawn*, or have *Died*. Care should be taken in receiving Probationers not only to get the names and the classes they propose joining, but also the residence, the state in life, and the fact as to their being baptized or not.

The names of Probationers should not be entered upon the Alphabetical Record of Members until formally received into full connection by the Pastor.

NOTE: The following pages were meant to be read side by side. The information runs from left to right across two pages (page 1 next to page 2 etc). Printing out any two page sets is recommended.
